Dear Sir,

It is our pleasure to inform you that Kuwait Malankara Rite Movement (KMRM) will be launching this year's mega social event called "ADEN FEST – 2010" on 25th June, 2010 at the Indian Integrated School, Jleeb Al-Shouk.

K.M.R.M. is an organization registered with the Indian Embassy and is functioning in Kuwait since 1994. Our Patrons are – His Beatitude Baselios Mar Kleemis, Major Archbishop and Catholicos of Syro Malankara Church and His Lordship Camillo Balin, Bishop of Kuwait.

Every year we initiate various projects for the upliftment of the less privileged people. This year and for the first of its type, it has been planned to hold a mega event to raise funds for this year's educational project – Kalalaya Santhwana-2010, through which we intend to support students pursuing higher studies (BSc Nursing, Polytechnic, It, ITI etc); whereby 70 financially backward children from families who are classified as below poverty line category will benefit through this event.

The "ADEN FEST – 2010" will be a fun filled daylong event with variety entertainment programs, food outlets, game kiosks and many more. As an added attraction two talented singers – **Jins** (IDEA Star singer fame) and **Amrita** (Winner of Munch Star Singer) will be here to entertain and to make it more lively.

As part of the program we are also bringing out a Souvenir featuring several articles and events.

we take this opportunity to cordially invite you to participate in this event by being a Sponsor and support us in our project.

Our Sponsorship tariff is attached for your selection and approval.

Thanking you in advance for your cooperation.

Yours faithfully
